

Anderson, IN – U.S. Congressman Mike Pence announced today that the Department of Transportation's (DOT) Federal Aviation Administration (FAA) has awarded Anderson Municipal-Darlington Field Airport a grant for the rehabilitation of runway lighting:

"I am pleased that these funds will help ensure the safety of planes going in and out of the airport, especially during times of low visibility," said Pence. "Hoosiers will be well served by this grant and I am pleased that the Federal Aviation Administration granted Anderson this funding."
